## Dad's turn to be 'great' in Antioch Chamber promo

Antioch Chamber of Commerce and Industry is readying for yet another contest, this time to honor fathers in the Antioch community. According to Chamber secretary Dixie Sparks, grade schools have again par-

ticipated in the distribution of forms for youngsters to describe in 25 additional words or less, "My father is the greatest because."

The deadline for the submission of entries for the father of the year contest is June 12, and the winner will be announced similar to the Mother's Day contest, the week after Father's Day. Antioch merchants and businesses will be participating by donating various gifts to the winner of the contest.

"WE ARE LOOKING for a natural response from children about their fathers," stated Sparks. "We want to remind parents not to help their children with the short essay on their fathers."

Sparks went on to thank all the businesses and merchants throughout the Antioch area for the generous response to Chamber promotions. "The spirit and enthusiasm generated by the business community toward Chamber activities have made the promotions very successful."

In other activity, Sparks announced the upcoming general membership meeting date as June 24. Although the location for the meeting hasn't yet been secured, it will be a luncheon, and the speaker should be of interest to everyone. "General membership chairman Bill Brook is busy confirming the program. We are planning on very well-versed speakers from the Illinois Commerce and Community Affairs," she said.

At previous board meetings, the Chamber discussed having a speaker specializing in industry, however, the June meeting topic has not yet been confirmed.

Sparks also pointed out that the July 13 eighth annual art and antique fair sponsored by the Chamber should be a "spectacular day." Limited 12 by 12 spaces for displaying homemade crafts and other items are available by contacting the Chamber office at 395-2233.

## High school board approves service building construction

The plans for the new service building to be built adjacent to the Antioch Upper Grade School on Highview Dr., have now been approved by the final third of the trio of Antioch agencies working for the construction of the storage and restroom facility.

The Antioch High School board, at its regular meeting, approved the plans that call for the erecting of an 18 by 30 foot building to be used during high school, grade school and park district activities. High school students will construct the brick-finished building, and the \$13,000 cost will be split among the three agencies agreeing to the construction.

**IN OTHER BOARD** discussion, business manager Keith Wierschem told the board of the U.S. Dept. of Agriculture ruling on car-

bonated beverages in schools. It will be required that vending machines selling carbonated beverages be eliminated and replaced with such items as fruit juice. The DOA made the ruling regarding the nutrition content of food after a study on school lunch programs was conducted.

The board also heard that the position of the Illinois State Legislature will not require any major changes in Antioch High School's minimum competency requirement. Antioch's current competency requirement is incorporated into individual classes, while some states have a blanket test covering basic skills a student should have learned in high school. A vote will be taken in June in the legislature, explaining the guidelines for minimum competency.

Well, with all the nice weather over the weekend, I bet everyone had a real nice time with outdoor activities. I sure did. Had the chance to go sailing for the first time this year, and also watched some baseball. Sure was glad that the major league baseball strike was averted in the wee hours of Thursday morning. Boy, if I made the type of money that those fellas did, I sure wouldn't want to goof up by striking out.

Congratulations go out to athletes at Antioch High school. First of all, to two all-conference members of the Sequoit baseball team, were selected. Tom Bernet and Mark Pomazak were named to the team.

Secondly, the girl's softball team placed second in the Northwest Suburban Conference with a 11-4 record. They even beat the conference leading Warren Blue Devils, who have lost only two conference games in the past three years.

Well wishes go out to Mrs. Don Skidmore, who, I hear, was just brought home from a hospital stay. Hope she's up to par soon.

Also, heard that Russ Fairchild is out and about in full force. He's been stopping in at various shops and restaurants downtown, and is getting around with the help of a walker. Hats off to you Russ!

Antioch will be buzzing with the Rotary hosting people participating in the International Rotary Exchange being held in Chicago this year. There will be people from all over the world meeting in Chicago, which just happens to be where the businessman's club was founded 75 years ago. I hear they might tour Thelan's Ready Mix operation while they're here. They certainly will have a nice time at Mr. Barr's, who will be hosting the folks for cocktails before they will go to individual Rotary member's homes to dine. They should be here until about 10 p.m. on June 3rd, so pretty up your yards so when they drive by, they'll remember how nice Antioch was.

## Swingers chip

Other notes included both Cindy Smith and Elsie Fonk chipping in at holes one and 13 respectively.

## Donations sought

Donations are being accepted at the First National Bank of Antioch in the new accounts department on behalf of the family of Philip Cirone.

Cirone, unable to work since last July because of an acute illness, has incurred medical expenses beyond his ability to pay.

### TOTAL

There is a total of \$809,122 in the general fund of the Village of Antioch as of the end of April.

## ACHS puts hand in stock exchange

The advanced business class at Antioch High School recently completed a stock market game that was offered through University of Wisconsin-Parkside, and coordinated by director of economic education and research institute, Richard Keehn.

Thirteen teams of advanced business class students at ACHS, under the direction of Susan Groth, invested a hypothetical \$100,000 in New York Stock Exchange common stocks. The Antioch teams were in competition with 40 teams throughout northern Lake County, and team number 13, captained by Jim Andre, placed second in the event. There were a total 425 teams participating in the program throughout Wisconsin and Lake County.

In the hypothetical business situation, each team could buy, sell, but on margin and sell short based on actual daily market closing prices. Daily transaction cards were submitted to advisors, and forwarded weekly to U of W,

where they were analysed by computer.

EACH TEAM received a weekly print-out showing current transactions, portfolio status, and commission and interest charges. At the end of the game, teams with the largest portfolio values won regional and statewide prizes.

Despite the downward plunge of the stock market since the beginning of the year, Antioch's team 13 consisting of Jim Andre and Kathy Achs, received \$50 for their second place finish in the Illinois region. Andre said, "The stock market game is interesting, you learn about real life investing. I know I have a better understanding of the economy."

"There is a lot of risk in investing, but it's worth it, and I look forward to the stock market game next spring."

### Christie mystery set to open at PM&L June 7

"The Hollow," an Agatha Christie whodunit, will open Saturday, June 7, at the PM&L Theater, 877 Main St., Antioch. Four following performances are set for Friday and Saturday nights, June 13, 14, 20 and 21. Curtain time for all of these shows is 8:30 p.m.

Set deep in the tradition of Agatha Christie mysteries, "The Hollow" weaves a suspenseful tale of an aristocratic British family caught in the crossfire of conflicting social customs, ruthless ambition, romantic

intrigue, and sex triangles. As every cloak-and-dagger mystery fan knows, these cliff-hanging ingredients can only lead to murder.

The PM&L production is directed by Bill Sershon. His cast of suspects, victims, and detectives include Pat Sershon, Antioch, as Henrietta Angkatell; George Blanksten, Antioch, as Sir Henry; Ricky Apostol, Antioch, as Lady Angkatell; Tracy T. Kiederlen, Antioch, as Midge Harvey; Jim Bishop, Round Lake, as the in-

dispensable butler; Bruce Stamm, Round Lake, as Edward Angkatell; Nancy Balmes, Antioch, as the excitable housemaid; Dee Baum, Antioch, as Gerda Cristow; Martin Domieracki, Antioch, as her dashing husband, John; Vicki Tolash, Libertyville, as an incredibly glamorous movie star; Don Beveroth, Pad-dock Lake, as Inspector Colquhoun of Scotland Yard; and Bob McKee, Antioch, as Sergeant Penney, the inspector's trusty aide. With a cast of characters like this, there has got to be foul play.

"The Hollow" rounds out PM&L's current Season XIX. This whodunit is good fun for all, whether incurable Agatha Christie fans or not. To be assured of a chance to try to unravel this ingenious mystery, call 395-3055 to make reservations, and be at the theater by 8:15 p.m. on the night you plan to see the play.

### Skip fantastic at aircraft show

Over one hundred radio controlled model aircraft, including warbirds, pylon racers, pattern ships, biplanes, sports flyers and gliders will be on display inside the Lakehurst Mall from 10 a.m. - 5:30 p.m. on Saturday, June 7, and from noon to 5 p.m. Sunday, June 8. One of the feature attractions both days is the "Spirit of America" flying team from Toledo, Ohio which will make its second appearance in Lake County. The team performs during

the outdoor air show at 2 p.m. Saturday and 1 p.m. Sunday.

Radio Control Expo III is sponsored by the Lake County Radio Control Club and the Sky Knights Aeromodeling Team. This is a sanctioned event by the American Modelers Assn. with ribbons and trophies to be awarded in twelve categories. Vicki Cawthon, Miss Lake County 1980, will present trophies to the thirty-six lucky winners at closing ceremonies at 4 p.m., June 8.

The indoor static displays and the outdoor air show are free of charge to the public. Last year's Expo II drew hundreds of model enthusiasts as well as interested spectators and would-be hobbyists. The displays involve models under construction, covering techniques, radio equipment, club locations in the greater metropolitan area, operating model cars and tanks, plus literature on how to get into radio control.

### Faith announces registration

Registration for the next school year at Faith Evangelical Lutheran School will be held Monday, August 18.

Any person wishing to enroll their child for the first time should contact the school or church office at 395-1664 or 395-1660, according to Melvin C. Schwartz, principal.

### Names in the NEWS

Keith Rezin of Lindenhurst, is a finalist in Augustana College golf team's quest in national competition. Rezin leads the team with 77.8 average, and the team finished in 10th place in its third appearance in the National Assn. of Intercollegiate Athletics Division III Golf Championship in Des Moines, Iowa.

Ted Poulos, a freshman business major at Carthage College in Kenosha, has been awarded one of sixty letters in varsity spring sports. He received his letter in baseball, and is the son of Mr. and Mrs. Thomas Poulos of Antioch.

### Miss Lakes Region busy with summer activities

The "lazy, hazy days of summer" will have to be postponed for Sally Ann Mueller of Grayslake, who was recently named Miss Lakes Region as a preliminary to the Miss Illinois Pageant scheduled for July 16-19 in Aurora.

Miss Mueller has returned from college to a busy schedule and program of activities set up by the Miss Lakes Region committee. The careful selection of her competition gown and swimsuit has been made, with the remaining task to find an effective item of apparel to wear for her talent presentation of the piano arrangement "The Ritual Fire Dance" by Manuel De Falla.

Prior to the Aurora pageant, which is the state finals for the Miss America National Pageant in Atlantic City in September, Miss Mueller will be the guest of

the Miss Thornton Township Pageant on May 30; Miss Carpentersville Pageant, June 13; and the Miss Barrington Pageant on June 14.

The Illinois state committee has designated June 22 as "Super Sunday" being held in Aurora for candidates to participate in determining the schedule of competition events and rehearsal days in the week of activities to select Miss Illinois 1981.

Locally, Lake County Fairgoers will find Sally Mueller at the fairgrounds on July 22 and 23 participating as a judge in the selection of the Miss Lake County Fair Queen for 1980.

The final evening of competition in the Miss Illinois Pageant, Saturday, July 19, will be televised on a local metropolitan station to be announced at a later date.

Tickets for the evenings of

competition in Aurora are now available through the Miss Lakes Region Chairman, Marlo Good, 395-2465; office: 866-4593, at \$3.50 per person for preliminary night July 16-18 and \$10 per person for the Saturday finals at the Paramount Theatre in Aurora. All evening programs will begin at 8 p.m.

Chairman Good reminds anyone that is interested in requesting a personal appearance by Miss Lakes Region, for a business or civic function, a club event or luncheon, may contact committee member Jan Trapp at 395-2348 or Marlo Good.

## Sequoits close season winners, juniors to return

Antioch High School's varsity baseball closed out its season with a 4-0 shutout at Warren on May 21.

Earlier in the week, the Sequoits lost in an Illinois High School Assn. regional game at Libertyville 13-6 on May 20.

In Gurnee, Terry Dewar threw a two hit shutout against the Blue Devils. The junior hurler struck out nine and walked four in going the distance on the mound.

THE SEQUOITS opened their scoring with an unearned run in the first inning.

Then in the sixth, Mark

Pomazak led off with a single. Dino Sisto followed with a smash over the right-field fence out onto Rte. 21.

Glen Flanagan followed with a triple and he scored on Tim Koesser's sacrifice fly.

Tom Bernert also had a triple.

AT LIBERTYVILLE, Sisto belted a two run round-tripper in the first inning to highlight a three run scoring.

Then Bernert had a three run double in the fifth inning to close out the Antioch scoring.

Antioch finished up the season with a 6-8 mark in the NWSC and 6-14 overall.

"I'm looking forward to seeing our junior pitchers in the summer league," said Coach Tom Baba. "They are Tim Koesser, Terry Dewar and Roy Raven. Also, there are two sophomores coming up. They are John Haling and Carl Amundsen."

"I look for them to be starters next year," he concluded. "It's a little different in the summer than during the conference season because we play four nights a week so you need that many pitchers."

## Jaycettes set 'yellow' project

Saturday, May 31 will be Yellow Ribbon Day in Antioch. Many communities have chosen the display of yellow ribbons as a way to honor the American hostages in Iran. On May 31, the Antioch Jaycettes will be displaying yellow ribbons along Main St., Lake St. and in Orchard Plaza.

According to Sue Dubs, president of the Jaycettes, Mayor Michael Haley will be on hand to hang the first ribbon at the corner of Main St. and Lake St. at 10 a.m. and to officially declare the day "Yellow Ribbon Day" in Antioch.

Jaycettes will remain at the corner of Main and Lake to distribute free yellow ribbons (one per family while supply lasts) to anyone interested in displaying them in front of their own homes.

### INSURANCE INFORMATION

Our daughter has become interested in ceramics and has found a kiln. She wants to make a studio in the garage. If the kiln should cause a fire, would our Homeowner's policy cover this?

Yes. Your Homeowner's policy will pay as long as your daughter continues to pursue ceramics as a hobby and not as a business. Selling her work regularly and making a profit would be considered a business pursuit and would not be covered under the standard Homeowner's policy. You do not mention whether the garage is attached or a separate building. If attached, the coverage would be part of the dwelling's "all perils" coverage and would be insured up to the maximum amount of the dwelling coverage. If unattached, the garage would be insured under extension of the "all perils" coverage of the dwelling for up to 10% the amount of coverage on the dwelling.

## Views On<sup>®</sup> Dental Health

By  
**ROBERT J. PAULETTI, D.D.S.**

### WHY DENTAL FLOSS?

Dental plaque is the primary cause of tooth decay and gum disease. A tooth brush can help remove plaque from visible surfaces but cannot remove it from between the teeth and beneath the gum line. Unwaxed floss is most often recommended to remove plaque from these hidden areas. Here's how to use it:

Cut off about 18 inches of floss and wrap the ends around the middle fingers, leaving about 2 inches between the hands. Guide it with thumbs for the top teeth and index fingers for lowers. Pass the floss gently between two teeth, sliding several times to the gum and back along the side of one tooth. Repeat the scraping on the side of the adjacent tooth and move on until all teeth are flossed.

A word of caution: Always control the floss. Try never to snap the floss suddenly between two teeth as the gums may be sensitive. Use a gentle sawing motion. If gums bleed, you may be flossing too hard, or they may be in poor health. It makes sense to have your dentist or hygienist demonstrate the flossing method to you. It will help insure the future health of your teeth and gums.
